SUPPLEMENTARY INFORMATION:

The DOL Events Management Platform is a shared service that allows a DOL agency to collect registration information in a way that can be tailored to a particular event. As the information needed to register for specific events may vary, this ICR provides a generic format to obtain any required PRA authorization from the OMB. DOL notes that registration requirements for many events do not require PRA clearance, because the information requested is minimal (e.g. information necessary to identify the attendee, address). This information collection, however, is subject to the Paperwork Reduction Act (PRA). A Federal agency generally cannot conduct or sponsor a collection of information and the public is generally not required to respond to an information collection unless the OMB approves it for use and the agency displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. The DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an Information Collection Review cannot be for more than three (3) years without renewal. The DOL notes that currently approved information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review

For additional substantive information about this ICR, see the related notice published in the *Federal Register* on November 6, 2020 (85 FR 71106).
